PROPHETIC WORD

While we are living in a society that wants to call right wrong and wrong right, I admonish you to remember Isaiah 35:8. In this hour it is important to make sure that we are following God's plan of holiness. I am not speaking of a denomination, but a lifestyle. The Bible tells us in I Peter 1:16, to be holy because He is holy. In order for us to experience the Glory of God as He desires for us, we must make a conscious decision to be holy at all cost. This holiness requires us to lay aside the weight, sin, ideology, doctrine of men, our own doctrine and preconceived notions and follow Christ. II Chronicles 7:14 states it best, giving instruction regarding what this land needs. This land is in need of healing and it is time for the Body of Christ to rise and be the holy people God created us to be. Let's reestablish the standard of God – the way of holiness.

FROM THE APOSTLE'S DESK

God bless you! This month has proven to be more revealing of our current status than ever. We have seen the ultimate demonstration of lies being perpetrated as truth and truth being deemed lies. This started five years ago as President Trump began to push conspiracy theories to test the waters of those with hidden white privileged agendas. Once he realized they would bite the bait, he pursued his successful raise to the presidency. Being in that position of power, caused principalities, powers and rulers of darkness to loose a lying spirit over America. This can be considered a prerequisite of prophetic events to come. The book of Romans, the first chapter, begins to deal with truths. The 18th verse begins to talk about the wrath of God being revealed from heaven against all ungodliness and unrighteousness of men who hold the truth in unrighteousness. Witnessing the end of a four-year presidential debacle, we saw the presidency begin with a lie and end with a lie. Both of which were absorbed by those hidden agendas, now exposed. The main agenda that we see is white supremacy, but the underlying agenda we see is the struggle for power. This dilemma has brought me to the conclusion that where there are lies, there is compromise; meaning this lying spirit over America for a surety has caused America to compromise. Unfortunately, we have seen many in the church that are compromised that stand for Christianity for white supremacy, power, and greed. This compromise has caused many believers to backslide and still be under the illusion that they're in sync with God. I emphasize and reiterate this point: to express the necessity of the church and church leadership to more than ever preach the unadulterated truth of God. No deviations, explorations or weird journeys of scripture can be tolerated in this season, but only line upon line and precept upon precept can be taught. The more truth is taught, the more the bonafied believers will surface and come together. This thrust of compromise can not only infiltrate, but destroy churches. Compromise is not a new concept, but has been magnified here in America the last year due to the fear of America becoming a nation of color. Being a nation of color is not our primary concern, but the lies, illusions, deceptions, trickery and oppression of the righteous is our concern.

FROM THE APOSTLE'S DESK

For this reason, it is imperative for truth seekers to come together, to study, pray and fast, to hear from God and stay in the center of His will. But also, to strategize for unity and protection of our people. The book of Matthew, chapter 24, clearly expresses in verses 10-12, “And then shall many be offended, and shall betray one another and shall hate one another. And many false prophets shall rise, and shall deceive many. And because iniquity shall abound, the love of many shall wax cold.” Verse 13 states, “But he that endure unto the end, shall be saved.” The strategy of the church in this season has to be the empowerment of believers with truth, building our most holy faith, through prayer in the Spirit and learning to love one another in the midst of adversity. Hear what the Spirit of the Lord is saying to the church.
