PROPHETIC WORD

As 2021 comes to a close, we must reflect on the past year. The pandemic is still in full effect and is gaining momentum. We've seen death, social injustices, wickedness and corruption in the government, and the state of the church is in critical condition. But the Lord is saying to the true church, those that are really in the body of Christ, to don't lose heart! It can be challenging and at times downright discouraging to see the world and especially the church in the state it's in. It appears that the more we fast and pray, the worse things get; the more we press to live right, the worse things get....

PROPHETIC WORD

...It appears as if the church has lost its effectiveness in the earth and particularly, the community. But again, the Lord is saying don't lose heart, stay focused, stay the course; our labor is NOT in vain, in spite of how it looks. 2022 is a year of promise and fulfillment! Those that have been on the back side of the desert; those who have been waiting on their season, provided you've held up YOUR end of the deal; those that stayed faithful in your assignment, obedient even when your flesh got weary, committed in your callings; manifestation is upon us. There is a shift coming in 2022; it's already happened, but manifestation is upon us. God will not allow the enemy of our souls to frustrate us any longer! Be encouraged. Don't take your eyes off of the prize. "Be still and know that I AM God", says the Lord of Hosts. Continue in prayer for your families in this season. "I have heard your cry," says the Lord. "I WILL reward the faithful." "Don't be moved by what you see going on around you. Be not soon shaken. But be steadfast, unmovable, always abounding in my work." 2022 is a year of fulfillment!

FROM THE APOSTLE'S DESK

Greetings C.G.C,

If ever, the signs of the times were prevalent, it would be now. That statement is based upon a lot of scriptures that are unraveling before our eyes. One being Galatians 6:7 that says "Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap." Unfortunately, without a point of relation, many people don't realize that we're sitting right in the entry point of that scripture. This pandemic is much too elaborate, broad and detailed to be a ploy of the devil; to even think that Satan has that type of worldwide orchestration to strategically pull off a worldwide pandemic is a sheer misunderstanding of the omnipotent, omniscient and omnipresent power of Elohim. Without God's permission, nothing of that magnitude can be initiated or carried out. If you've noticed, the breakout occurred during the turn of one of the most demonically driven presidents that this nation has ever experienced. Not only was President Trump a high-end warlock, but a devoted patriarch of racism and pride. He snatched the veil of hypocrisy off of America and caused the stench of religion to show just how disconnected from God people really are. This has caused an avalanche of instability not only in the American government but in the school systems, judicial systems, economic systems and even in corporate America. As diligently as they try to blame the current circumstances like inflation, supply shortages and near total stagnation among the House and the Senate, this is a residual of the policies and corruption of Trump and the Republican party. This design of God is strategically causing America to implode like I prophesied six years ago. At this period in time, it is imperative for real churches to stand up in a sense of reformation in America to bring truth, righteousness and holiness back to the forefront of the church.

FROM THE APOSTLE'S DESK

I used the term reformation because the faith movement and TV ministries with greed and undercurrent racism amongst blacks and whites, has begun to dictate another gospel in America and across the world that does not line up or come in agreement with the Bible. This is a pandemic within itself. It is our responsibility as Five-Fold Ministry to aggressively preach the word of God, not for entertainment, but strictly for education and sanctification of the saints. The season of entertainment has produced a mystical, shallow people that lack relationship with God but instead strive for relationship with their pastors. In this hour, we are going to begin to see what some may characterize as a changing of the guard but in fact, that's not totally accurate. What we actually will experience is God eliminating all "small g" gods that seem to thirst after and steal his glory. The scripture clearly declares that God will have no other gods before him. If ever there was a time for prophets and apostles to manifest, that time is now; to bring order to the church, correction to pastors, motivation to evangelists, and fine-tuning of teachers. Centers of the Great Commission has taken a posture to uphold this very mission and to dismantle the works of darkness that have stagnated and perverted the church. I need every Five-Fold Ministry to make a sincere commitment and dedication to reformation of the church and saving of souls.
