## PROPHETIC WORD

In this season we must watch the devil's strategies as well as pray against them, while enduring afflictions without flinching (Reference 2 Timothy 4:5). I am reminded of the parable of the workers that were paid a wage according to their work, as they were hired when found idle in the marketplace. It is dangerous to be found idle in the kingdom though. We should always be mindful that the same God that hires with a wage is the same God that fires with wage, if we don't work. Our duty is to fulfill the ministry of reconciliation while praying ye therefore the Lord of the harvest. In these last days many souls are hanging in the balance and if ever there has been a time to work, it is now!

Evangelist Renaldo Norman

## FROM THE APOSTLE'S DESK

Greetings, Centers Of The Great Commission,

The season and atmosphere over America have shifted. We have gone from a lying spirit over this nation to a diabolical spirit of strong delusion. The scripture declares, if you don't love the truth then God, himself, will send a spirit of strong delusion. This spirit's objective is to cater to the lies that you believe, and in turn, cause you to reject the truth. This spirit has infiltrated not only racist people in the world, but has magnified the racist spirit in the church. The evangelical church has allowed the spirit of strong delusion to not only dictate their lie but promote it via the spirit of hypocrisy. Hypocrisy now becomes the norm in politics, churches, and educational institutions.

The strategy of the enemy concerning these areas is to confuse the truth and subtly justify lies. Unfortunately, the church has become a target of distribution for this spirit. I would love to suggest that this is some new phenomenon, but the Bible warned us that many would be drawn away from the faith, giving heed to seducing spirits and doctrines of devils. The Bible also declares that men would be lovers of themselves, boasters, proud, high minded and lovers of pleasures more than lovers of God. This has become the standard of this hour, especially in America. This demands true Prophets, Pastors and Apostles to come forth with the unadulterated, uncontaminated, raw word of God. This means your thirst and hunger for popularity, mega congregations, prosperity, greed and fame can no longer be on your agenda. But truth, righteous indignation, and a desperate burden for souls must drive you. The Bible also decrees that men will not be able to endure sound doctrine and will heap unto themselves teachers that will basically support their corruption. It's here, it's now and it's necessary that we counteract this activity with sound doctrine and holy lifestyles.

This newsletter is not being sent to you to reveal something new but to re-emphasize the necessity of your sincerity toward ministry along with your commitment to God, His moral, values and statutes. Don't succumb to the pressure of the doctrine of inclusion, the doctrine of prosperity, the doctrine of eternal security and the newly exposed doctrine of paying no tithes. For these have all been designed to undermine the power of the church. Hell is real. Heaven is real. Demons are real. Angels are real. Lying prophets are real. False pastors are real. Homosexuality is a real abomination to God. Adulterers being judged by God is real. But political correctness is not real when it comes to the things of God.

## FROM THE APOSTLE'S DESK

The basic fundamentals of salvation, Holy Ghost infilling, Holy Spirit baptism, Christ indwelling, tithes and offering, the Ten Commandments, love thy neighbor as you love yourself, Five-Fold ministry, gifts of the Spirit, the rapture, holiness, and eternal life are the keys to a solid foundation. Preach it. Teach it. Live it. Never forget, in the midst of all this, God is still in control.

- Apostle Donald Graham
